How does everybody like the book? Also, would you like to have Fern, Vonneta, and Dalphine as your sisters, and explain why.

I would only want Vonneta as my sister because she is closest to my age and I want to have a sister that understands what I'm talking about. 😊

I would love to have Fern as my sister, because she looks out for the others! I would really love any sisters at all...because I only have a brother;-)!

I wouldn't want any of them to be my sister because they are full of sass

I don't like sassy people a lot

Dalphine because she's not as crazy as Fern and Vonneta
